WHERE TO SEARCH THE LIBRARY CATALOGUE?

Visit the library website at:

http://libcat.newcastle.edu.my
3 SEARCHING FUNCTIONS

- BASIC SEARCHING
- HEADING SEARCHING
- ADVANCED SEARCHING
You may enter the subject, title or topic at the search box and press search button.
To get the full record of the item, click on the **TITLE**

From the left panel, users may select by **Author**, **Publication Year**, or **Subject** to refine your search.
Get the **Call Number** to find the book in shelf.
You may choose to search specific **Author, Subject, Title or User Defined** by insert keyword in the search box and submit the **Search** button.

Click at "**Heading Search**" tab.
The advanced search screen allows you to:

- Search for terms using several categories, which may include Author, Title, and Subject
- Select the nature of the search, e.g. to search for all or any of your search terms
- Filter your search results using the categories of Publication Year, and Format
- Using search filters
Click at "Advanced Search" function.

Click on the drop down menu to see the search option.

You can browse through an advanced search by combining words and phrases using the words "AND, OR, NOT and NEAR".
End of Tutorial

You have finished the online tutorial and if you have further question, please get help from the library staff at the LRC Counter or call 07-5553852

THANK YOU!
